Subject: Comment on draft rules

Suggested amendment:

In Rule 1.610(b), preamble, amend "include each of the elements set forth in paragraphs (b)(1) through (b)(12) of this section" to read
"include each of the elements set forth in paragraphs (b)(1) through (b)(8) of this section, and be accompanied by each of the elements set forth in paragraphs (b)(9) through (b)(12) of this section"

Reason:

Proposed Rule 1.610(b)(11) refers to "any submitted document, other than the request". But the present wording makes all submitted documents part of the request, creating an inconsistency. The simplest solution is to distinguish between elements that are really part of the request and accompanying documents.
